TIGERS
THIS IS
THE END

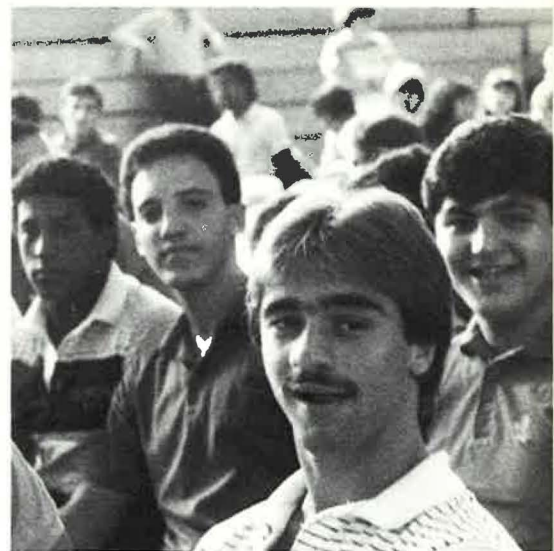

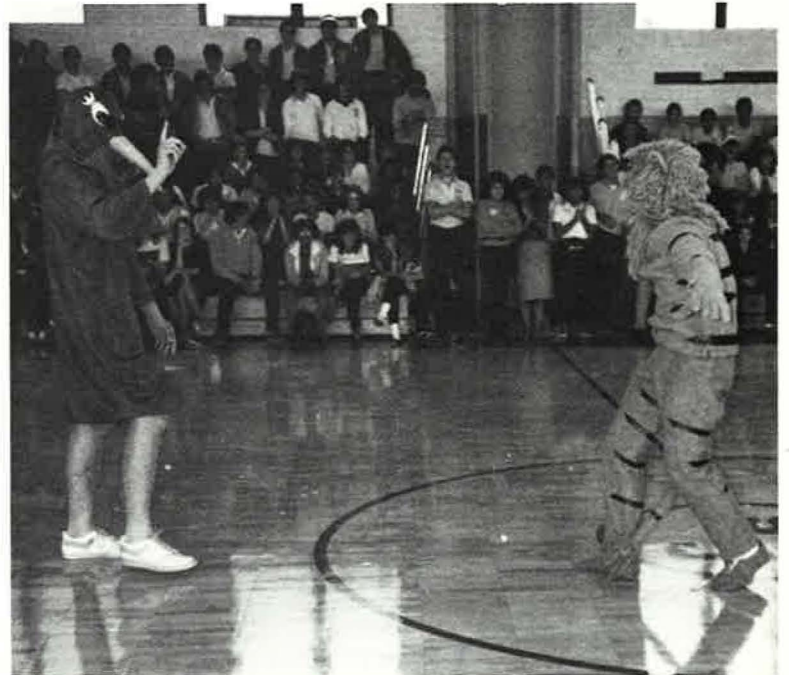

I wish I had more time to do,
The things I want to do.
The thoughts, the dreams, the memories,
The feelings we all once knew.

*Unrelinquished shades of past,
The visions we withdrew.*

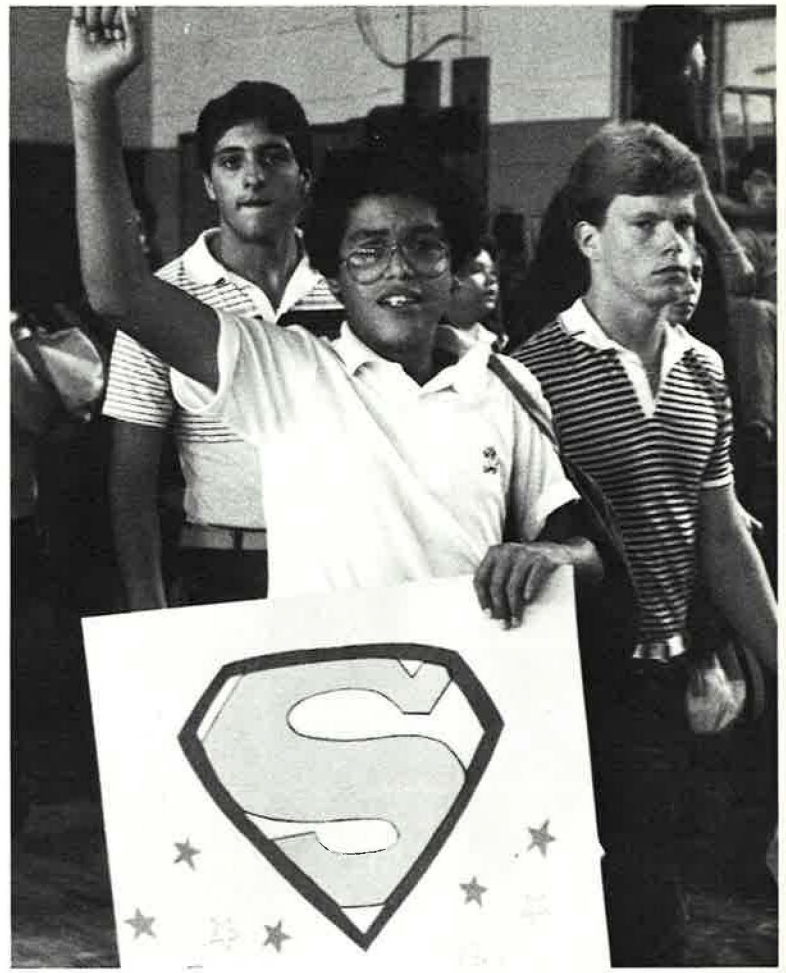

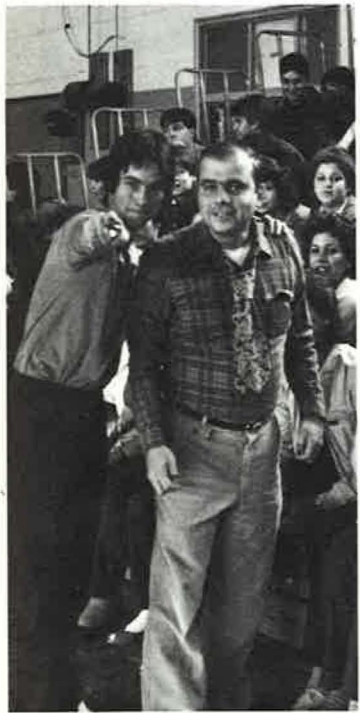

*Our minds would reach,
For the concepts they teach.
Goals we hoped to attain.*

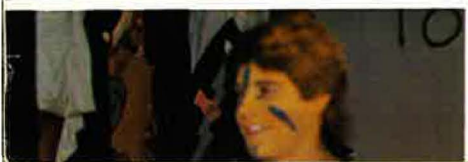

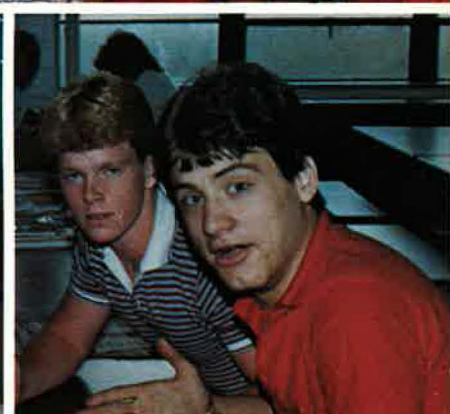

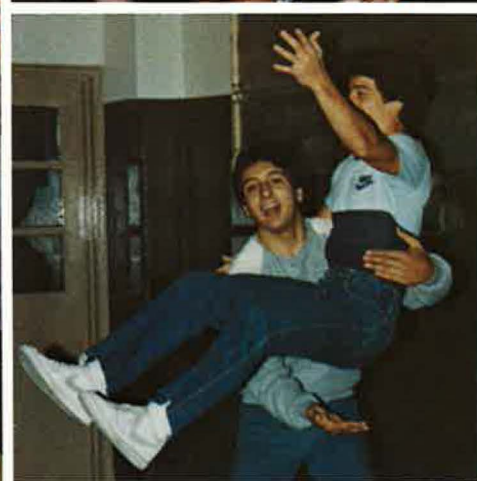

*And yet before us all, there stood a wall,
Preventing us from our gain.
Illusions of mind, our thoughts would find.
What did we truly leave behind?
Shadows in the rain.*

*Unheeded instead of the prospects we dread,
We followed the winding road.
We stumbled and fell, when all had seemed well,
Our thoughts had betrayed us too.*

Until the day, that we could say,
No longer can we stay.
It had all been true.

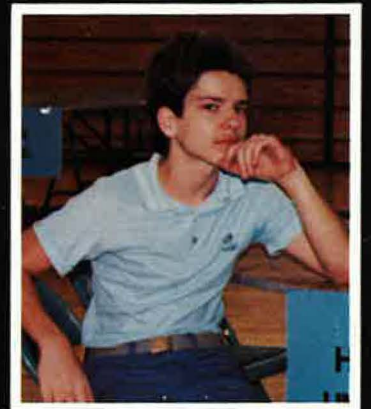

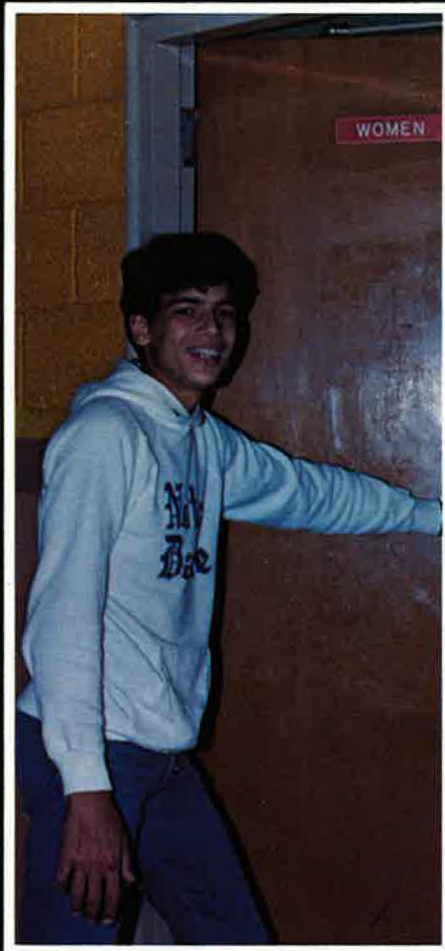

And now we see, Our lives to be.

Our wisdom starts anew.

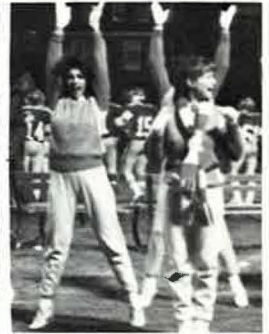

I wish I had more time to do,

The things I want to do.

Student Council

Upper House

President: Chris Depierro
Vice-President: Alfredo Izaguirre
Secretary: Brenda Bernardez
Treasurer: Yolanda Lauranzon
Parliamentarian: Edith Sanchez

This year's Student Council has worked hard at meeting their goals of raising school spirit and unifying the student body. Led by President Chris De Pierro and Moderators Mr. Dondero and Mr. Gargiulo, the Council has continued such activities as Pep Rallies, The Halloween Dance, The Christmas Party and The Christmas Assembly. Aside from the Annual activities this year's Student Council has tried to set some trends by sponsoring the First Annual Football Homecoming King and Queen, Co-Sponsored the First Annual N.H.S. vs Student Council Basketball Game, and a First Annual St. Joseph's Memorial Dance.

This year's hard work and fundraising by the Upper-House has been done in the hopes of donating a Bill Board Sign, to be put outside the School. With the help of Vice-President Al Izaguirre, Secretary Brenda Bernardez, Treasurer Yolanda Lauranzon and Parliamentarian Edith Sanchez, this year's Student Council has been one of the most productive and successful years ever.

We would like to express our deepest gratitude to Ms. Shirley Vetter (Lorstan Studio), but most especially to Mr. George Geer (Delmar Printing Co.) and Mr. John Dondero for helping us to gather these memories which will accompany us throughout the rest of our lives.

Yearbook Staff 83-84

A picture postcard,
a folded stub,
a program of the play:
File away the photographs
of your holidays.
And your mementos will
turn to dust,
But that's the price you pay.
'Cause every year's a
Souvenir that slowly
fades away . . .

. . . Every year's a
Souvenir that slowly fades
away.
